

Oregon Girls Youth Lacrosse Association 2014 Spring Girls Youth Select Player Nomination Form

This form is good for the 2014 Spring Oregon Girls Youth Lacrosse Season. This is not a per-program nomination. Each U-12 and U-14 team is allotted the following number of nominations:

Gold: 3 nominations (include 2 alternates)

Silver: 2 nominations (include 1 alternate)

Bronze: 1 nominations (include 1 alternate)

Programs will not be guaranteed all of their coaches' nominations. Selections will be based on total overall nominations received (pro- rata based on Gold, Silver, Bronze ratios above) and teams will have roster sizes of 16-18 players.

The goal is to have four teams in each age group of U-12 and U-14. Players should be ranked in order of overall skill level including desire, coach- ability, athleticism, and skill level for the selection process. *(Don't forget about your goalies. While we are unable to accept one from each program, we would like you to nominate your goalie if she maintains the qualities as previously described. Goalies are expected to attend the "Open Tryouts" April 6, 2014 to be considered. There are eight spots for goalies).*
